

1. Practical component for Std XII In the subject GFC (Vocational)

Each student must complete three practical components which are as follows:-

- a) One case study on a local Entrepreneur for thirty (30 marks) and to be averaged for 15 marks.
- b) One compulsory assignment on environmental topics for 15 marks
- c) One assignment on any other topics of their choice from the syllabus for 15 marks.
- d) The marks of item nos. b and c i.e. $15+15 = 30$ marks shall be averaged to 15 marks.

* The external auditor shall conduct the audit for all three above practical components from the academic year 2019 – 2020.

* The existing pattern of practical assessment i.e. Content (15 marks), Presentation (05 marks), and Viva (10 marks) Total (30 marks) , to be averaged (15 marks) per term is being continued.

* It has been decided that the maximum word limit for the assignment is not more than 500 words each to bring about uniformity.

* BOS proposes to place the above matter related to practical components before the academic council for its approval which is to be implemented from the academic year 2019-2020 onwards.
