Date:- 24/07/2020

CIRCULAR NO.41

To,  
The Heads of all recognized  
Secondary Schools,  
within the jurisdiction of this Board.

Sub:- Introduction of **Mathematics Level 2 at Class X** w.e.f Academic Year 2020-21 onwards.

Sir/Madam,

- ❖ With reference to the above cited subject, Academic Council of the Board in its meeting dated 24/02/2020 has decided to introduce **Mathematics level 2** at class X from the Academic year 2020-21 onwards.
- ❖ **The Frequently asked questions pertaining to Mathematics level 2 at Class X.**

	Question	Answer
	<b>What is Mathematics Level 2 at Class X?</b>	The syllabus of Mathematics level 2 is same as that of Level 1, only question paper will be different with difficulty level of the questions on lower side. As the syllabus is same no extra teacher will be provided to conduct the classes of Level 2 Mathematics. There will not be separate classroom teaching for students studying Level 2 Mathematics and if so, no extra work load will be counted for teaching Mathematics Level 2.
	<b>Who can offer Mathematics Level 2 at Class X?</b>	The students who do not desire to continue Mathematics after class X and those who do not want to pursue Science Stream after Class X can opt for Mathematics Level 2.
	<b>Will the students with remark Needs Improvement in Mathematics Level 1 be permitted to answer Mathematics Level 2 in the supplementary examination?</b>	Yes, the students will be permitted to answer Mathematics Level 2 with prior permission of the Board.

	<b>Will the students with Mathematics Level 2 at Class X examination be permitted to take admission for Science Stream after passing Class X?</b>	No.
	<b>Will the student after passing Mathematics Level 2 be allowed to appear at Mathematics Level 1?</b>	Yes, he/she will be permitted to appear at supplementary examination with prior permission of the Board.

- ❖ The syllabus, weightage to the content, model question paper are available on Board's official website.
- ❖ All the Heads are informed to identify students interested to opt for Mathematics level 2 at SSC Public examination of March' 2021 and send their names by 30th September 2020 to the Joint Secretary, Academic section of the Board for further action. Last minute request will not be accepted

The content of this Circular should be brought to the notice of all concerned and kindly acknowledge the same by mail.

sd/-  
(Bhagirath G. Shetye)  
Secretary.
