GBSHSE/ACAD/Mathematics X/2020/1423

Date: - 24/09/2020

Read :- Circular No. 41 dated 24/07/2020

Sub :-Introduction of Mathematics Level 2 at Class X w.e.f Academic Year 2020-21 onwards.

CORRIGENDUM

This office has been receiving queries pertaining to above circular, specifically whether by opting Level 2 students will be eligible to take admission in ITI course, Polytechnic courses, Commerce with Mathematics, Arts with Mathematics.

1. The matter has been examined by this office. It is clarified as under:

- a. Students who do not want to pursue Mathematics after class X, may opt for Level 2.
- b. Students who desire to pursue their studies in Polytechnic courses after successful completion of class X will have to opt for Level 1.
- c. Students who desire to pursue ITI courses related to Engineering subjects involving Mathematics after successful completion of class X will have to opt for Mathematics Level 1, like Science stream wherein Physics, Chemistry involves Mathematics besides Mathematics being compulsory in class XI.
- d. Students who desire to pursue Arts and Commerce with Mathematics will have to opt for Mathematics Level 1.

This is for the information of concerned.
