F.No. 3-103/2021-22/DICT/CIET
Date: 22nd December 2021

Subject: Online courses for classes XI & XII offered by NCERT on SWAYAM from 20 December 2021 till 31 May 2022.

Madam/ Sir,

As you are aware, MoE, GoI has launched a platform for offering Massive Open Online Courses (MOOCs) that is popularly known as SWAYAM (Study Webs of Active learning for Young Aspiring Minds) on 9th July, 2017. NCERT has developed and offers online courses for the school education system in 11 subject areas (Accountancy, Business Studies, Biology, Chemistry, Economic, Geography, Mathematics, Physics, Psychology, English and Sociology) for classes XI-XII. Till date these courses have been disseminated in seven cycles. For the current eighth cycle, NCERT is offering 28 MOOCs for students of classes XI- XII from December 20, 2021 till May 31, 2022. The course title, URL and QR code to access these courses are attached in Annexure-1.

Keeping in view the current scenario of COVID, these online courses can support continuous learning of the students in a virtual mode. Hence, it is requested to share this information to all teachers and students in the State/ UT/ Organization and encourage the student to enroll in these courses and take the benefit of these courses.

We are looking forward to your kind cooperation. We also invite interests from States/ UTs to develop and run similar courses in regional languages based on the State Board syllabus. Kindly send your expression of Interest to the Joint Director, CIET-NCERT (amarendra.behera@ciет.nic.in/ moocs@ciет.nic.in). For any further queries, kindly contact Dr. Angel Rathnabai, Assistant Professor & Programme Coordinator, CIET-NCERT (Mob. - 9971576911, angel.rathnabai@ciет.nic.in)

With warm regards

Yours sincerely,

(Prof. Amarendra P Behera)
Joint Director, CIET

To

The Secretary/ Commissioner of School Education (in all 36 States/ UTs)
